

Web App Solutions

TEAM STORE

An easy way to outfit teams while maintaining brand consistency.

THE PROBLEM

You need a streamlined solution for team gear that guarantees each player gets the right items.

- ✗ Time-consuming ordering
- ✗ Incorrect or missed orders
- ✗ Fulfillment headaches

THE SOLUTION

Bundle essential items into required packages and offer add-ons at checkout.

- ✓ Personalization made easy
- ✓ Centralized ordering
- ✓ Flexible payment options

Simplified Ordering

Make it easy for teams to get the gear they need, when they need it.

Less Admin Work

Eliminate manual order tracking and distribution efforts.

Room to Grow

Easily update products and expand offerings as team needs evolve.
