

STREAMLINE SHIPPING WITH *ShipStation*®

THE ALL-IN-ONE SHIPPING SOLUTION.

WHY SHOULD I INTEGRATE WITH SHIPSTATION?

ShipStation helps you save time, reduce errors, and scale efficiently. It is one of the easiest ways to improve your order fulfillment process and elevate your customer experience. Here's what you unlock with direct integration:

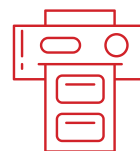

SYNC ORDERS AUTOMATICALLY

Orders from Chipply can be pushed into ShipStation, reducing manual entry and the risk of errors.

OFFER REAL-TIME SHIPPING RATES

Automatically pull live carrier rates within your Chipply stores, allowing you to accurately charge your customers cost-effective shipping options.

PRINT LABELS & AUTOMATE TRACKING

Quickly generate and print labels in bulk, and send real-time tracking emails directly to your customers.

BETTER SHIPPING STARTS HERE.

Whether you're shipping a handful of orders or hundreds, ShipStation helps you fulfill faster and more accurately, so you can focus on growing your business. Integrate your ShipStation account with Chipply today to simplify logistics and deliver a better experience from checkout to delivery.
